EXPEDITION

THE ONLY WAY TO GET THERE

Introducing Ford Expedition, the rugged new go-anywhere, do-anything full-size four-wheeler. Expedition has the strength to haul up to four tons and is the only full-size sport utility that offers seating for nine with an exclusive third-row seat option.

Expedition's standard 4.6L Triton V8 engine offers excellent performance, and a more powerful 5.4L Triton V8 is also available.

A safety/security package includes a dual air bag supplemental restraint system (always wear your safety belt) and four-wheel anti-lock disc brakes — both standard.

Expedition Eddie Bauer edition
4x4 in Dark Toreador Red
Clearcoat Metallic.

EXPEDITION

FULL-SIZE SPORT UTILITY REDEFINED

Ford Expedition was designed for active families who need the towing power and utility of an off-road vehicle but still want the conveniences and comfort of a family sedan.

Expedition comes well-equipped with many great standard features such as:

- Speed-sensitive power steering
- Keyless entry
- Passive anti-theft system
- Battery saver

Second- and third-row passengers will find getting in and out is easy with Expedition's large rear doors and flip-down second-row seat. Available illuminated running boards and load-leveling air suspension system can make entry and exit even easier.

Expedition XLT 4x4
in Pacific Green
Clearcoat Metallic.

ONLY FULL-SIZE SPORT UTILITY TO SEAT NINE

Seat five, six, eight or nine people with third-row seat option. Second-row seat tips forward for easy access to third row.

Choose from leather seating surfaces and high-back captain's chairs (above and right) or front row 40/60 cloth split bench (left), both with 60/40 second-row bench seat.

Fold down a portion of the second row and fold down or remove the optional third row for additional storage.

MOST TOWING POWER

Ford Expedition offers the most towing capacity of any vehicle in its class.*

When equipped with the 5.4L Triton V8 engine, Expedition is powerful enough to haul your boat, camper, or most anything else, up to 8,000 pounds.

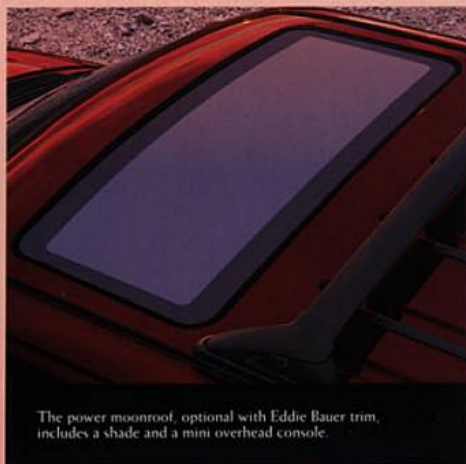

Expedition is big enough to take along up to nine people and their gear. Yet Expedition is designed to fit nicely into a standard garage when you get back home.

*GVW rating under 8,500 pounds. Based on a properly equipped 4x2 Expedition. Not to exceed 11,500 lbs. maximum GCWR.

Expedition XLT 4x2
in Black Clearcoat.

PACKED WITH FEATURES

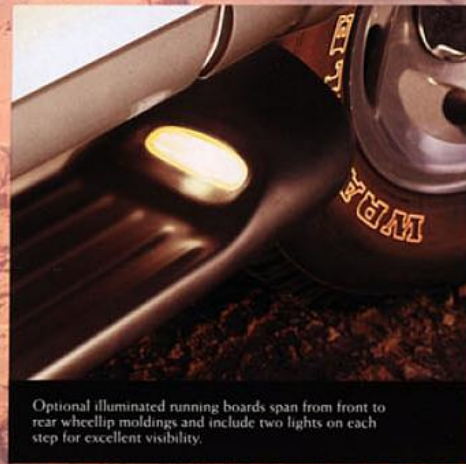

The power moonroof, optional with Eddie Bauer trim, includes a shade and a mini overhead console.

Expedition provides over 118 cubic feet of cargo area with the second row of seats folded and the third-row seat removed.

Power flip-open quarter windows are standard with Eddie Bauer trim. The control switch is located in the overhead console, which also includes an electronic display.

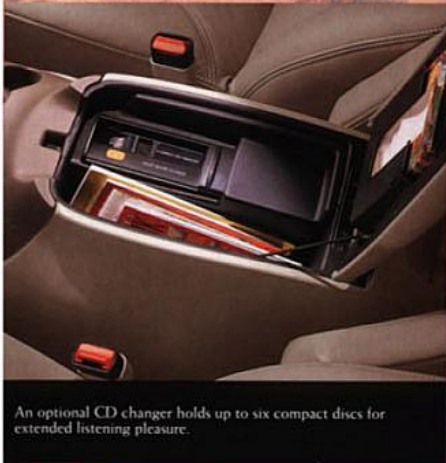

Optional illuminated running boards span from front to rear wheelclip moldings and include two lights on each step for excellent visibility.

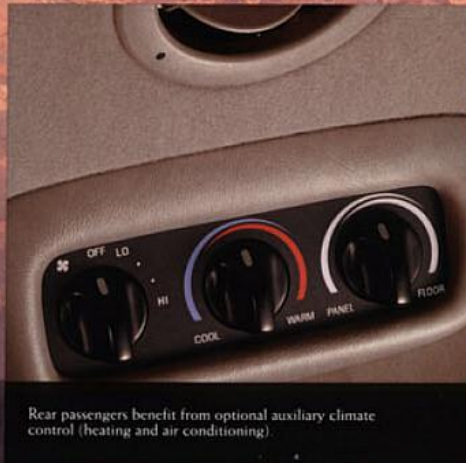

The optional "fold-and-stow" removable third-row bench seat is easy to handle and convenient to have when cargo takes precedence.

The overhead console, standard with Eddie Bauer trim, contains map lights, sunglasses holder and garage door opener bin.

An optional CD changer holds up to six compact discs for extended listening pleasure.

Rear passengers benefit from optional auxiliary climate control (heating and air conditioning).

GET THERE IN COMFORT...

SAFELY...

Standard four-wheel anti-lock disc brakes help the driver maintain control on most wet, dry or icy surfaces.

Dual air bags are standard equipment on all Expedition models (always wear your safety belt).

Side door intrusion beams provide added protection in the event of side collisions.

AND SECURELY.

Expedition has rear childproof door locks to help keep children safe. When the locks are activated, the rear doors can't be opened from inside the vehicle.

A passive anti-theft system is standard. The vehicle won't start without your specially coded key.

Power signal mirrors (available with Eddie Bauer) display directional arrows which are not visible to the driver.

The height of the front and 2nd-row seat shoulder harnesses can be adjusted to five separate positions for individualized comfort.

GET THERE WITH POWER TO SPARE

Expedition Eddie Bauer edition 4x4 in Oxford White Clearcoat.

The heart of any car or truck is its engine. Expedition is powered by Ford's new family of Triton V8 overhead-cam truck engines. The standard 4.6L V8 generates an impressive 215 horsepower at 4,400 rpm and 290 lbs.-ft. of torque at 3,250 rpm.

The 5.4L V8, with 230 hp at 4,250 rpm and 325 lbs.-ft. of torque at 3,000 rpm, provides even more muscle.

These Triton engines are designed to go 100,000 miles between scheduled tune-ups under normal driving conditions with routine fluid/filter changes.

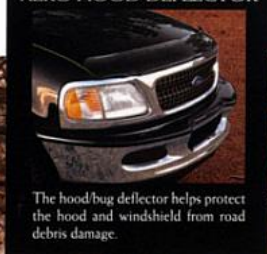

Both engines feature fail-safe cooling systems that allow the vehicle to be driven a short distance under reduced power despite the loss of coolant.

ACCESSORIES

FEATURES & OPTIONS

YOUR FORD DEALER CAN SHOW YOU MANY WAYS TO PERSONALIZE YOUR NEW EXPEDITION. THE ITEMS SHOWN HERE ARE JUST A FEW. LIKE THE EXPEDITION ITSELF, FORD-BRAND ACCESSORIES ARE MADE WITH A FIRM COMMITMENT TO QUALITY — AND THEY'RE COVERED BY THE NEW VEHICLE LIMITED WARRANTY. SEE YOUR DEALER FOR ALL OF THE DETAILS.

AERO HOOD DEFLECTOR

The hood/bug deflector helps protect the hood and windshield from road debris damage.

FRONT END COVER

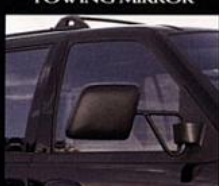

Custom fit to accentuate body lines, this 22-oz. vinyl cover with soft backing helps protect the vehicle's front end from airborne road debris.

Bike and Ski Carrier Adapters (not shown) are available to fit either the factory rack or a removable rack (purchased separately).

TOWING MIRROR

This high-grade, heavy-duty, permanent manual trailer towing mirror helps increase the field of vision when towing large trailers and recreation vehicles.

CARGO TRAY

The tray helps protect the cargo area from wear and tear, soiling and stains. Ideal for garden supplies, fishing gear.

CARGO ORGANIZER

A removable divider system lets you sort and secure your cargo. Made of premium-grade polyethylene, it's lightweight and durable.

OWNERSHIP EXPERIENCE

Roadside Assistance Program

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your Ford Dealer for all the facts.

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

Using your Ford Citibank VISA® or MasterCard® could earn you hundreds, even thousands of dollars from Ford toward the purchase or lease of a new Ford, Lincoln or Mercury product. To apply or get more information, call 1-800-374-7777. Or visit a Ford or Lincoln-Mercury Dealer, or a branch of Citibank.

Dealer-Installed Accessories

Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.

Product Changes And Options Availability

Following publication of the catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information.

Ford Division reserves the right to change product specifications at any time without incurring obligations.

Options shown or described are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.
