# 1969 CAMARO

PUTTING YOU FIRST KEEPS US FIRST CHEVROLET

New grille and parking lights.

The Rally Sport's rear trim.

Concealed headlights, open.

### CAMARO

**INTERIORS** 

If Camaro looks longer and wider this year, that's because it is. Result: a steadier stance than anything else for this kind of money. There are bucket seats, carpeting, an improved Astro Ventilation system that admits outside air through new rectangular

Look. That's the only way to appreciate

bucket seats are even more comfortable,

and included this year are color-keyed

head restraints. The new instrument

panel is easy to read and functional

(for even more dials to keep track of

package). Our interior choices for '69:

STANDARD INTERIOR, All-vinvl

things, order the special instrumentation

Camaro's new interiors. You'd think

that this is a luxury car, not a lithe

and lean sportster. Those tough

instrument panel vent ports, a wide range of Magic-Mirror colors, 25 power team combinations and a new larger tire design. Other refinements you can't see make Camaro so quiet that other sportsters wish they had our secret.

## RALLY SPORT

The Camaro Rally Sport from the side.

Order a Rally Sport and you'll get features like a unique grille with concealed headlights, bright accented simulated rear fender louvers, fender striping, RS emblems all around. wheel opening moldings, black body sill, steering wheel with RS emblem, chrome-accented tail and

instrument panel.

Colors: black, blue, medium green, dark green, red or a luxury fabric option in black and white houndstooth pattern with black or ivory

SPECIAL INTERIOR GROUP. Available as an extra-cost addition to Standard Interior. Includes woodaccented instrument panel and steering wheel, plus an assist handle on the dash and bright pedal trim.

parking lights, headlight washers, and backup lights mounted below the rear bumper. Sport Coupe includes roof drip molding. If you want to look like you wrote the book on sportiness, you may specify the SS option - all by itself or with this one.

## **EXTRAS**

HEADLIGHT WASHERS, Included with Rally Sport. Optional with other Camaro models. Press a button and presto - pulsating jets of water automatically clean your headlights. Washers may be used while car is in motion.

ASTRO BUMPER. This new colormatched resilient front bumper makes your Camaro a distinct departure from the usual.

ALL-TRANSISTOR RADIOS. Choose from three pushbutton models — AM, AM-FM or AM-FM stereo. FENDER STRIPING. Narrow striping around the front edge of each wheel opening accents Camaro's new lines.

SS

Camaro SS. The one with a name like the hiss of a snake. Get big power: a 300-hp Turbo-Fire 350 V8. Then, the rest comes easy because it all comes with the car. Special 3-Speed transmission. Sport striping. Special heavily insulated hood. New white lettered wide-oval

Included in Rally Sport and Style Trim Group. Not available with "SS" or Sport

SPORT STRIPING. Tapered striping along each front fender. Included with Camaro SS.

FRONT ACCENT STRIPING. This wide band and stripe extends across the nose and down the centre of the hood. Available with fender striping. STYLE TRIM GROUP, Fender striping, bright accented rear fender louvers, front and rear wheel opening moldings, black body sill, taillight accents and roof drip molding on Sport Coupe. These items are included with

Rally Sport FLOOR-MOUNTED SHIFT. Available with standard 3-Speed

tires. Wide wheels, Beefed-up suspension. Power disc brakes, SS identification. Chrome engine accents. Two-spoke steering wheel with SS emblem, Bright-accented simulated rear fender louvers. Black body sill. Chrome accents in the right places.

transmission. Standard with Special 3-Speed and 4-Speed. POWER STEERING. New variable ratio power steering option provides more responsive manoeuvrability while turning or parking. Does not affect straight-ahead road feel. Special Steering Option, for even faster response, is also available. Included with Camaro SS.

POWER BRAKES. Large vacuum unit reduces pedal effort. Two power disc brake options are also available.
The front wheel disc option, included with Camaro SS, provides sure braking power and cools faster, reduces fading and shrugs off dampness. Just like Corvette, you can get discs on all 4 wheels. Performance?

# THIS IS HOW YOU CAN MAKE YOUR CAMARO A SPORTING PROPOSITION.

You can build your Camaro from an economical family car all the way to a high performance sportster with a name to match: Z/28. Read over our power team choices and pick the one that matches your idea of a car. We'll start with our strongest. Z/28 Camaro. This is our mean streak. A tough car to catch, a hard car to beat. Z/28 is a high-performance option package for the Camaro Sport Coupe. Includes a special 290-hp Turbo-Fire 302 V8, quick-ratio steering, special suspension, F70 x 15 high-performance tires, special rally striping, Z/28 emblems and more. Also included are power disc brakes and 4-Speed transmission with Hurst linkage floor-mounted shifter.
