

DAYTONA

THE ALL-NEW DODGE CHARGER
DAYTONA R/T

GRAB LIFE BY THE MANGO!

Dodge muscle is back! And so are the paint jobs that were as outrageous as the cars they coated in the golden age of muscle. Introducing the 2006 Dodge Charger Daytona R/T — in two high-velocity colors:* Go ManGo! (4,000 available Summer 2005) and Top Banana (planned for late 2005 production). Both come complete with a big-block high-performance 5.7-liter HEMI® V8 producing 350-horsepower (est.) and 390 lb-ft of torque. Charger Daytona R/T also boasts ...

- Performance-tuned dual-exhaust and induction
- HEMI Orange heritage engine cover
- Multi-Displacement System (MDS) for improved fuel economy† by up to 20 percent
- Performance, 9-land steering gear with firm damping, provides enhanced steering response
- Performance Nivomat™ load-leveling rear shock absorbers
- Performance heated power driver and front-passenger seats with perforated Preferred Suede® and matching body-color stitching with embroidered Daytona logo
- Body-color center stack bezel and steering wheel stitching
- Polished 18" aluminum wheels with painted black accents with VR18 Michelin AS performance tires
- Electronic Stability Program (ESP) with Emergency Brake Assist for precise rear-wheel-drive performance and 4-wheel antilock disc brakes with All-Speed Traction Control
- "HEMI" blackout decal graphics on the hood, "Daytona" on the rear quarters, and a blackout rear decklid
- Body-color heated mirrors
- Honeycomb blackout grille insert
- Rear decklid and front chin spoiler
- Classic chrome, red and black R/T badge on the front grille and rear decklid
- Electronic cluster signature
- Sequentially numbered limited-edition Daytona instrument panel badge

*Limited production of vehicles available in both colors (beginning with Go ManGo!) at select dealers only. †EPA est. 17 city, 25 highway, mpg for 5.7-liter HEMI V8. Preferred Suede is a registered trademark of Milliken & Company.

DODGE CHARGER DAYTONA R/T As shown, each dream car has a distinctive sequentially numbered limited-edition Daytona badge. Under the hood, the engine features a unique heritage-inspired HEMI® Orange engine cover. Body-color stitching and "Daytona" embroidered logos enhance Dark Slate Gray performance seats. Unique body-color interior accents provide a customized feel. This mix of muscle-car power, sport-car handling, and cutting-edge technology is available at your Dodge dealer this summer. Until then, check out dodge.com/charger for more inside information. Or call 800-4ADODGE.
