

FordFocus

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

2

It's the way it makes you feel

3

The allure of the car. The anticipation of the journey. The thrill of the drive. Life feels good in the new Ford Focus.

Everything you see and touch puts you comfortably in control. Inspiration and intuition in equal measure.

It looks as good standing still, as it feels when you're driving.

Sony 6CD DAB stereo radio with RDS/6-disc in-dash CD autochanger
Sony 6CD DAB stereo radio with RDS/6-disc in-dash CD autochanger features MP3 playback capability via an external AUX jack or optional USB port located between the two front seats. (See specification pages for availability)

The Ford Focus is certainly full of compelling style, but that's not the end of the story. Closer inspection reveals plenty of clever features, designed with careful attention, for you and your passengers alike.

That's clever

'Ford Power'

The new 'Ford Power' button brings an extra thrill to the start of every drive. (See specification pages for availability)

Voice Control

Tell your Ford Focus exactly what to do. Change radio stations or CD track, make and receive calls using your Bluetooth® compatible mobile phone, control the DVD navigation system, access and control MP3 files via USB, and adjust the temperature or fan settings*. Speak and you will be obeyed. (Option with Bluetooth)

Ford Easy Fuel

Ingenious capless refuelling system can tell the difference between petrol and diesel fuel pump nozzles, only accepting the correct type of nozzle for your car.

Power-fold door mirrors

Door mirrors can be retracted out of harm's way when parked. Equally useful when squeezing through tight spaces. (Part of optional Titanium X Pack)

*Requires Dual Electronic Automatic Temperature Control (DEATC)
Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Sporty instrument design

Sporty hooded dials, with red night-time illumination, convey vital information at a glance, so you spend more time looking at the road ahead.

Make the most of life's twists and turns with the engaging Ford Focus. With its balanced handling, instant responses and superb ergonomics, you'll not want the journey to end.

That Ford feeling

Feel the power, not the shift

Ford Powershift is the next generation of automatic transmissions, featuring a new state-of-the-art 6 speed dual clutch automatic transmission.

Ford Powershift cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power, just as smoothly and seamlessly as a baton pass in a perfectly executed relay race.

Ford Powershift delivers improved fuel economy compared to a conventional automatic and also has a manual mode that allows you to switch gears at the flick of the lever.

Designed with you in mind

Only when you feel comfortable do you feel fully in control. So every element of the Ford Focus, from the height-adjustable driver's seat to the fully-adjustable steering column, has been designed with your comfort in mind.

Independent thinking

Control Blade rear suspension allows each rear wheel to react independently to bumps and undulations, increasing stability and enhancing ride quality.

Electric Hydraulic Power Assisted Steering (EHPAS)

Provides greater steering assistance at lower speeds for easier parking, while reducing the level of power assist at higher speeds for more precise steering. Switchable between Standard, Comfort and Sport modes.

Designed to last

Only the great designs truly stand the test of time.

The attention to detail that has been lavished on Ford Focus is immediately evident, from the exterior finish to the quality of the interior. Ford has engineered every single component for dependability, safety and strength, with one objective clearly in mind: quality that's built to last.

Precision-built with the future in mind

Strength in numbers

Six airbags. Five star Euro NCAP adult occupant protection rating. One Intelligent Protection System.

The Ford Focus IPS includes:

1. Driver and front passenger's airbags*
2. Driver and front passenger's side thorax airbags
3. Side curtain airbags for both front and outer rear passengers
4. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
5. Advanced lap and diagonal inertia reel seat belts on all seats. Pre-tensioners, load-limiting retractors and height-adjustable mounts on front seats
6. ISOfix child seat mountings on outer rear seats
7. Anti-submarining seat bases
8. Anti-lock brakes (ABS) with Electronic Brake-force Distribution (EBD)
9. Electronic Stability Programme (ESP) and Traction Control System (TCS)
10. Emergency Brake Assist (EBA) (included with ESP)
11. Electrically-operated windows with 'bounce-back' anti-trap feature
12. Allergy-tested interior with high performance pollen filter
13. Hazard Warning Lights: the turn indicators automatically flash under heavy braking as a warning to following drivers
14. Collapsible (horizontal-stroking) steering column for optimised energy absorption and leg protection

Adaptive Front lighting System (AFS)

Halogen-based AFS automatically adjusts the headlights to aim where you are going, making for safer and more enjoyable night driving. Comes with LED rear light technology.

(See specification pages for availability).

Deflation Detection System (DDS)

Alerts you if tyre pressure drops to an unsafe level. (See specification pages for availability)

Allergy-tested interior

Ford Focus's interior consists exclusively of materials that reduce the risk of allergies to the lowest possible level, while a high-performance pollen filter prevents dust and pollen from entering the passenger compartment.

*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Refreshing air conditioning, eye-catching steering wheel and a sporty instrument cluster – just some of the cool interior highlights to be found on Style.

Style

Move on up with the Ford Focus Style. With its athletic stance and dynamic performance, this is a car that can't help attracting attention.

Features

- 16" 5-spoke 'Design' wheels
- Electrically-operated and heated door mirrors with side indicators and body colour housings
- Electrically-operated driver and front passenger windows
- Stereo radio/CD
- Remote control central locking
- Ford Intelligent Protection System (IPS)*, including driver and front passenger's airbags*, side airbags and side curtain airbags
- Electronic Stability Programme (ESP)
- Anti-lock braking system (ABS) with electronic brake-force distribution (EBD)
- Independent Control Blade multi-link rear suspension
- Ford Easy Fuel capless refuelling system
- Air conditioning
- Silver-effect steering wheel accents
- Trip/fuel computer
- Sporty instrument cluster design with satin aluminium-finish trim rings
- Aluminium-finish interior door handles and handbrake release button
- Perimeter Alarm

*Note: A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat. Model shown above is finished in Avalon metallic paint. (Option)

Instrument cluster
New design is both sporty and easy to read.

Design wheels
Stylish 16" 5-spoke 'Design' wheels.

Ford Easy Fuel
Ingenious capless refuelling system can tell the difference between petrol and diesel fuel pump nozzles, only accepting the correct type of nozzle for your car.

Ford Focus EONetic's generous standard specification proves that caring for the environment doesn't mean you have to compromise on style.

EONetic

EONetic's specially-tuned diesel engines, improved aerodynamics and low rolling resistance tyres bring substantial improvements to emissions and fuel economy without diminishing Ford Focus' dynamic ability.

EONetic

EONetic emissions-reducing features:

- Specially-tuned 1.6-litre Duratorq TDCi 90PS and 109PS engines
- 15" steel wheels in lieu of 16" 5-Spoke alloy wheels
- 195/65R15 low rolling resistance tyres
- Aerodynamic package (sports suspension, revised front grille and optimised wheel covers)
- Ford Eco Mode driver information system (helps improve fuel efficiency)
- Tyre repair kit in lieu of mini spare wheel
- Shift light indicator

Other key features include:

- Body colour rear spoiler
- Quickclear heated windscreen (not with Auto-Start-Stop)
- Perimeter Alarm
- Driver's seat with manual lumbar adjustment
- Premium centre console with intergrated stowage box and armrest

Model shown above is finished in Vision metallic paint. (Option)

Ford Auto-Start-Stop system
Switches off the engine when you're stationary and smoothly restarts when you're ready to pull away. (available on EONetic 5-door 1.6 TDCi 109 PS only)

Low rolling resistance tyres
Reduce frictional drag so less energy is required to maintain progress along the road.

16" 5-spoke alloy wheels
(Option)

Body colour door handles

Special EONetic tailgate badge
Display your 'green' credentials

The exciting Ford Focus Zetec scores top marks for performance and style.

Zetec

Expect more from every drive with the sporty Ford Focus Zetec. With its superb handling, 16" alloy wheels and sports seats, the anticipation is as exhilarating as the drive itself.

Additional to Style

- 16" 5-spoke alloy wheels
- Body colour rear spoiler
- Black headlight surrounds
- Sports-style front seats
- Driver's seat with manual lumbar adjustment
- Premium centre console with integrated stowage box and armrest
- Quickclear heated windscreen
- Comfort suspension
- Headlight courtesy delay

Model shown above is finished in Ocean Blue metallic paint. (Option)

Alloy wheels
Fabulous 16" 5-spoke alloy wheels

Body colour rear spoiler
Aerodynamically-styled for a competitive edge.

Headlight surrounds
Sporty black headlight surrounds.

Quickclear heated windscreen
Saves you having to scrape ice from the windscreen – or wait for the interior ventilation to demist the windscreen on hot days.

Premium centre console
Console comes with integrated stowage box.

Front fog lights
Enhance visibility in poor driving conditions.

Always a stunning sight for other drivers, Ford Focus Zetec S is equally appealing on the inside.

Zetec S

If you like the Ford Focus Zetec, you'll love this! With its bold new style and stunning 17" alloy wheels, there's no doubt that the 'S' in Ford Focus Zetec S stands for 'Sport'.

Additional to Zetec

- 17" alloy wheels
- Aerodynamic body colour sports front spoiler and side skirts
- Aluminium foot pedal covers (not with PowerShift transmission)
- Aluminium-finish handbrake cover
- Alloy-finish gear knob (not shown)
- 'Ford Power' engine start/stop button
- Available with the 1.6 Ti-VCT engine with variable valve timing (exclusive to Zetec S)

Model shown above is finished in Vision metallic paint. (Option)

Body colour side skirts
Combine with the sports front and rear spoilers to improve aerodynamics.

Body colour rear spoiler

Body colour sports front spoiler

Distinctive Zetec 'S' badge

Premium centre console
Console comes with integrated stowage box.

Headlight surrounds
Sporty black headlight surrounds.

With its effortless blend of contemporary style and innovative technology, the irresistible Ford Focus Titanium will awaken the driver in you.

Titanium

Titanium adds a little extra exclusivity with seductive 16" multi-spoke alloy wheels, plus a range of attractive features, such as automatic headlights and rain-sensing windscreen wipers.

Additional to Zetec

- 16" multi-spoke alloy wheels
- Sony DAB audio system with CD player
- Cruise Control
- Electrically-operated front and rear windows with global opening and closing
- Automatic headlight control, rain-sensing autowipers and auto-dimming rear-view mirror
- Thatcham category 1 alarm
- Lower chrome grille surround
- Leather gear knob
- Front floor mats
- Aluminium scuff plates
- Rear centre armrest
- Ford key-free system (inc Power Start Button)
- Deflation Detection System (DDS)
- Heated front seats

Model shown above is finished in Chill metallic paint (Option) with 17" multi-spoke alloy wheels (Option).

Ambient lighting
Bathes the gearshift and centre console in a soft red glow.

Front autowipers
Switch on automatically if it starts to rain. Can also be adjusted for sensitivity.

Automatic headlights
Switch on and off automatically in response to changes in ambient light levels.

'Ford Power'
Titanium is now equipped with the iconic keyless start button.

Premium scuff plates
Combined with high-quality floor mats (mat shown only available as an accessory).

Auto-dimming rear-view mirror
Helps take the glare away from reflected lights.

Awesome looks. Awesome performance. And an interior that leaves no doubt as to this car's serious sporting credentials.

ST-2 & ST-3

If racing improves the breed, the sensational Ford Focus ST is indeed a true thoroughbred. With 225 PS of turbocharged power at your command and muscular looks to match, this is one hot, yet remarkably civilised, car.

Focus ST-2

- 18" Panther Black 5-spoke alloy wheels with 225/40 WR18 performance tyres
- Sony DAB audio system with CD player
- Deflation Detection System (DDS)
- Unique sports interior styling, including Recaro front sports seats with driver's 8-way adjustment and manual lumbar support
- 'Ford Power' engine start/stop button
- Performance suspension
- High-performance front and rear disc brakes

- Bi-xenon headlights with rear LED lights
- Quickclear heated windscreen

Focus ST-3 adds:

- Full leather Recaro Seats
- Sony DAB Audio system with in-dash 6CD autochanger
- Dual Electronic Air Conditioning (DEATC)
- Keyless Entry
- Privacy Glass

Model shown above is finished in Electric Orange metallic paint. (Option)

Alloy wheels
18" 5-spoke alloy wheels are shod with 225/40 WR18 tyres for exhilarating grip.

Rear spoiler
Shaped for both aerodynamic and visual effect.

Twin sport exhausts
Help the turbocharged Duratec ST engine breathe more freely.

Recaro sports seats
Distinctive, body-hugging front seats make a statement of intent.

'Ford Power'
The engine power button is a potent reminder of Ford's racing heritage.

Fog light housings
Finished in body colour to make an immediate visual impact.

Sony DAB audio

Sony DAB audio systems provide improved reception and sound quality, simple easy-to-use tuning and access to an extensive range of radio stations. The display also shows useful information about the programme you are listening to. Sony audio systems also offer MP3 playback capability, optional in-dash CD autochanger and an optional USB port. (See specification pages for availability)

Voice Control

Make and receive calls using your Bluetooth® compatible phone, wherever it is in the car, and operate the audio, navigation and climate systems without taking your hands off the steering wheel. (Option with Bluetooth).

Staying in touch is easy with the very latest communication, entertainment and information options. From great-sounding Sony DAB audio units to intelligent navigation systems, Bluetooth® and Voice Control, your journeys can be made easier, quicker and more enjoyable.

Feel connected

The ultimate travelling companion

DVD Touchscreen navigation system featuring a 7" full-colour touch-screen display and easy-to-follow audio-visual directions. Includes CD/MP3 audio system, climate system controls, eight premium speakers and Bluetooth® with USB. (Option. Includes DEATC air conditioning)

Keep on the right road

The Advanced navigation system (part of the Communications Pack) offers route guidance and CD/tuner in one. It features a 5" full-colour display with colour map and turn-by-turn instructions to your destination. The maps are stored on a 2GB SD card, covering UK/Ireland and major European roads. When not using the navigation feature, you can play MP3 files direct from an SD memory card. (Option)

Becker navigation system 'Indianapolis Pro'

Single DIN-sized navigation system, known for its brilliant sound and superior navigation abilities within most European countries. TMC traffic announcements and speed signal feature provide dependable navigation, even in areas with poor GPS signal reception. Also plays MP3. (Accessory)

Garmin portable navigation

Leave your maps behind with a simple and intuitive portable GPS navigation system. Please contact your Ford Dealer for details. (Accessory)

Standard = Standard on your vehicle.
Option = Can be ordered only together with your new vehicle.
Accessory = Available from your Ford Dealer.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Pioneer premium loudspeakers

As the essential link in any audio system, Pioneer's latest speakers offer unrivalled sound quality, good looks and value for money. (Accessory)

USB connection

Connect your iPod® or MP3 player and operate it via the Sony audio or Ford Navigation systems (Option with Bluetooth). Connector wiring available as an accessory.

Interior Styling Accessories

A wide range of styling accessories are available to personalise your new Focus. These include luxury velour carpet mats, stainless steel front scuff plates with illuminated Focus logo, styled illuminated gear knob (manual transmission only), handbrake cover with crafted aluminium-effect insert and unique aluminium pedal covers. Also available are non-illuminated scuff plates and gear knob.

Note: This image illustrates some of the items listed above, and shows some features not currently available in the UK

Cruise control

Simply select your desired speed and the system will maintain it for as long as you wish. The selected speed can be manually increased or decreased, with the car automatically resuming the last set speed if desired. (See specification pages for availability)

Give your Ford Focus a personality of its own. Whether you're looking to accentuate style, enhance comfort or increase practicality, there's plenty of scope to make your mark.

Feel unique

Dual-zone Electronic Automatic Temperature Control (DEATC) air conditioning

Easy-to-use system can be adjusted separately for the driver and front passenger, with up to 4°C variation from side to side. (See specification pages for availability)

Ford Individual

Titanium Individual Interior Styling Pack (shown) features full leather/Alcantara seat trim in Ebony, coordinating leather door panel inserts, aluminium-effect handbrake cover and premium floor mats. (Option on Titanium)

Premium leather

The Titanium Individual Interior Styling Pack in Ebony raises the appearance of the Ford Titanium's interior to a higher plane. Rich textures in the finest leather and Alcantara, with embossed 'Individual' script on the front seats, are complemented by Ash Grey stripes and Light Grey seam inserts for a 'handmade' effect. (Option on Titanium)

Ford alarm system

Fully-integrated security system monitors the vehicle's doors, bonnet and boot. Also features ultrasonic sensors to detect movement inside the vehicle. (Accessory)

Illuminated scuff plates

Stylish scuff plates with Focus logo that illuminates when the doors open. (Available as accessory)

Rear parking sensors

An audible warning helps you safely judge the distance between the rear of your car and an obstacle for easier parking and manoeuvring. (Option and accessory)

Rear-view camera

Provides a clear view of the area behind the car when reversing. Special graphics indicate the width and centre line of the car, based on the steering angle, for easy manoeuvring. (Standard with Touchscreen Nav)

Individual floor mats

Luxurious front and rear deep pile floor mats finished in Ebony with a Dark Grey surround. (Part of Titanium Individual Interior Styling Pack. Also available separately as an accessory)

Eibach suspension-lowering kit
Enhances driving performance and handling as well as giving a more sporty appearance, lowering the car by approximately 30 mm. (Accessory)

The Ford Focus is a dynamic looking car, even in its standard form. But add from a choice of eye-catching spoilers, stripes and styling elements, and you'll draw admiring glances wherever you drive.

Feel inspired

Full bodystyling kit

Enhance the appearance of your Ford Focus with this full bodystyling kit including: front and rear bumper skirts, unique upper/lower grilles, front fog lights, side skirts, large spoiler and exhaust end pipe (for 3-/5-door only). The full bodystyling kit is available in combination with 17" or 18" alloy wheels. (Available for Ford Focus 3-/5-door and estate as an option. All parts available separately as accessories)

ST stripes

Show your rebellious streak with these purposeful body stripes. Available as side and overhead stripes. (Available for ST series only, option and accessory in white, silver or blue)

Front fog light kit

Cut through the gloom with these powerful and stylish fog lights with unique housings. (Available as accessory)

Chrome mirror caps

Add a touch of class with stylish chrome-effect mirror caps. (Accessory)

Large rear spoiler (3-/5-door)

Large, body-coloured spoiler gives your Ford Focus a sporty look. (Accessory)

Large rear spoiler (Estate)

Aerodynamically-styled to significantly increase downforce at speed. (Accessory)

Small rear spoiler (Estate)

Stylish body-coloured spoiler adds to the Ford Focus estate's dynamic appearance. (Accessory)

Roof rails

Enhance the estate's load-carrying versatility. Shown in conjunction with lockable crossbars (accessory) and Thule windsurf carrier. (accessory)

For extra transport and stowage capability. Available as fixed and detachable versions. (Option/accessory)

Tow bars

Make the most of the great outdoors with a wide range of travel accessories. As well as being stylishly functional, each item is carefully thought out to maximise the wide-ranging versatility of your Ford Focus.

Feel free

Britax Duo Plus ISOfix child safety seat

A wide range of Britax child safety seats available for all ages, also with ISOfix. (Accessory)

ClimAir® wind deflector

Reduces turbulence and noise, allowing you a more enjoyable drive with the front windows down, even when it's raining. (Accessory)

Loadspace liner

Durable liner, designed to keep the luggage compartment tidy, ideal for transporting wet or dirty items. (Accessory)

Thule roof box

A range of various sized boxes protect your luggage from weather and theft. (Accessory)

Anti-slip mat

Luggage compartment protection, moulded to fit perfectly into the vehicle. Incorporates anti-slip surface. (Accessory)

Load barrier retention net

Keeps items in the luggage compartment, where they belong. Meets ECE-R17 safety requirements. (Accessory)

Modular dog guard system

Half-height, full-height or full-height with luggage divider, this modular system keeps dogs or items of luggage safely in the luggage compartment. (Accessory)

Base roof carrier

Available to suit all bodystyles, this carrier forms the base for all roof transportation attachments. (Accessory) **Thule ProRide bike carrier** specially designed to carry modern bikes with frames up to 80 mm in diameter. Also features integral locks to keep bikes safe and secure. (Accessory)

Reversible and foldable luggage compartment mat

Provides luggage compartment protection, even with the rear seats folded down. Reversible design offers choice of carpet, or durable rubber surface ideal for carrying wet or dirty items. Incorporates flap to protect rear bumper during loading. (Accessory)

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Making a difference

On Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

New low emission diesel EOnetic derivatives are now available. Ford Fiesta EOnetic delivers more than 76.3 mpg, emitting just 98 g/km of CO₂. Ford Focus EOnetic delivers more than 74 mpg, emitting just 99 g/km of CO₂ and Ford Mondeo EOnetic delivers more than 54 mpg, emitting 139 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Fusion, Ford Focus, Ford C-MAX, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

*For more about this topic, see www.ford.com/go/sustainability

**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire*** provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure**** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

Ford Rental – local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

Ford Mobility

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

*In 4th gear. **Ford test figures. ***All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are tested in accordance with 80/1268/EEC as amended. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Note** All vehicles are 5-speed manual unless stated. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter. Except where otherwise stated, all engines are Emissions Stage IV. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **M5** = 5-speed manual, **M6** = 6-speed manual, **A4** = 4-speed auto, **A6** = Powershift Auto

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 75 kg on all models. **Gross Train Mass** includes trailer weight. **Note** All vehicles are 5-speed manual, unless 6-speed manual or auto stated. For further guidance, refer to the National Caravan Council's Towing Guide. *ECONetic and ST models are not suitable for towing.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Allergy-tested interior All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.

Ford recommends BP.
