

**TOYOTA**

2023 Tacoma

2023 TACOMA

# Unmatched capability. Unforgettable adventures.

The 2023 Tacoma makes your off-road, off-grid excursions possible. With authentic off-road performance features and a tough exterior to match, Tacoma is ready to prove its worth where the road ends and adventure begins. So gear up, get in and get ready for your next journey.

SR5 Double Cab shown in Magnetic Gray Metallic with available Chrome Package.

Cover image: Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area.

TRD PRO

# Leave limits in the dust.

Calling all off-road junkies — Tacoma TRD Pro returns, tougher than ever. Designed by the experts at Toyota Racing Development (TRD), the 2023 Tacoma TRD Pro is built to take on the world's gnarliest terrain. The stuff you want — like uniquely designed TRD wheels and machine-forged upper control arms — all comes standard. Tacoma TRD Pro brings capability and confidence to your adventures with enhanced performance features that help you conquer farther and wider.

## Suspension lift

Equipped with taller suspension — 1.5-in. front lift and 0.5-in. rear lift — and 16-in. TRD matte-black alloy wheels wrapped in Goodyear® All-Terrain tires, Tacoma TRD Pro is designed to clear rocky terrain with ease.

## TRD-tuned FOX® Internal Bypass shocks<sup>3</sup>

For ultimate performance and control, these shocks feature 2.5-in. aluminum housings; hardened, oversize shafts; and remote reservoirs in the rear. Designed to help provide more ground clearance, maximum damping and fade-free performance, the suspension helps smooth out the rough stuff.

## Aggressive front fascia

When you got it, flaunt it. Exclusive to Tacoma TRD Pro is a set of LED headlight housings that feature an integrated, light-up TRD Pro logo. With its iconic heritage grille and Rigid Industries® LED fog lights, this truck reminds everyone why Toyota is still king of the off-road.<sup>1</sup>

## PERFORMANCE

# Take on any terrain.

Life is more epic with Tacoma. Equipped with an available 3.5-liter V6 delivering 278 hp and 265 lb.-ft. of torque, you can handle whatever the trail throws at you. Plus, with an available Tow Package, Tacoma can haul up to 6800 lbs.<sup>5</sup>

### Available 6-speed manual transmission

If rowing through the gears is more your style, Tacoma offers a 6-speed manual transmission, on certain models, to put control firmly in your hands.

### Part-time 4WD

Choose the drivetrain mode best suited for your adventure of the day. With part-time 4WD, you can easily activate 4WD capabilities with a simple turn of a knob.

### 6800-lb. towing capacity

Whatever toys you've got, Tacoma's got the power to bring 'em along. Its powerful V6 and available Tow Package help it tow up to 6800 lbs.<sup>5</sup> or carry a payload of up to 1685 lbs.<sup>6</sup>

### Trailer-Sway Control

Included with Tacoma's available Tow Package, Trailer-Sway Control (TSC)<sup>7</sup> applies brake pressure at individual wheels and manages engine torque to help maintain control of the trailer.

### 3.5-liter V6 direct-injection engine

High tech meets high performance. Tacoma's available Atkinson-cycle 3.5-liter V6 with direct injection is the perfect blend of efficiency and power, giving you more of everything you want.

## CAPABILITY

# Obstacles don't stand a chance.

This is where the rubber meets the dirt. With available equipment like an electronically controlled locking rear differential, Crawl Control (CRAWL)<sup>8</sup> and Hill Start Assist Control (HAC),<sup>10</sup> Tacoma is ready to tackle just about any trail.

### Electronically locking rear differential

Tacoma's available electronically controlled locking rear differential distributes engine power evenly to both rear wheels so they move at the same speed, providing more grip in low-traction conditions.

### Crawl Control

Tacoma TRD Off-Road's Crawl Control (CRAWL)<sup>8</sup> automatically modulates the throttle and brakes on five low-speed settings, so you can keep your focus when navigating the most technical stretches of trail.

### Hill Start Assist Control

Tacoma's Hill Start Assist Control (HAC)<sup>10</sup> is designed to help you safely get up those hills. This technology helps minimize the possibility of Tacoma rolling backward when you move your foot from the brake to the gas pedal, so you can move upward with confidence. (HAC not available on TRD Off-Road 4WD M/T.)

## CAPABILITY

### Bilstein® shocks

Standard on TRD Off-Road, Bilstein®<sup>11</sup> shocks know how to keep their cool under pressure, delivering consistent performance when the going gets rough. These shocks help soak up the impacts, thanks to high-performance components and valving tuned specifically for off-road driving.

### Multi-Terrain Select

Tacoma TRD Off-Road features Multi-Terrain Select (MTS). With five modes to choose from, this system helps regulate wheelspin by automatically adjusting the engine throttle and traction control. When combined with standard Goodyear®<sup>2</sup> tires with tough Kevlar®<sup>12</sup> construction, Multi-Terrain Select helps improve traction.

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area.

### Multi-Terrain Monitor

When the trail gets demanding, Tacoma's available Multi-Terrain Monitor (MTM)<sup>9</sup> lets you check your immediate surroundings for potential obstacles. Simply press a button to display front-, rear- and side-camera views on the 8-in. navigation screen.

TRD Off-Road Double Cab shown in Lunar Rock. Payload includes the weight of occupants, cargo and options; limited by weight distribution.

## UTILITY

# Bring it all. Including your sense of adventure.

Bikes. Boards. You name it. Tacoma's standard composite bed surface is built to withstand your rough-and-tumble adventure. Its integrated heavy-duty deck rail system makes it easy to tie down gear of all sizes. Now, when action calls, you'll be ready to go.

## Ultra-durable composite bed

Don't call it a bedliner. No matter which bed length you choose, your Tacoma's bed is composed of an ultra-durable, fiber-reinforced Sheet-Molded Composite (SMC) surface. This rugged tech boasts a greater impact strength than steel and will help keep the bed of your Tacoma looking good for years to come.

## Deck rail system

Tacoma's bed comes standard with an innovative deck rail system. With four heavy-duty adjustable tie-down cleats, you've got the strength and adjustability you need to keep your cargo securely strapped down.

## 120V outlet

An available bed-mounted 120V/400W outlet<sup>13</sup> helps keep the action powered up, even when you're way, way out there.

## Insulated storage

During a long day of adventuring, Tacoma Trail Special Edition's insulated bed storage keeps your drinks or bait chilled, so you can conveniently take them to and from base camp.

Payload includes the weight of occupants, cargo and options; limited by weight distribution.

## Trail Special Edition

Tacoma Trail Special Edition is sure to make a statement. The heritage-inspired “TOYOTA” front grille, wheels and “Trail” badging are given a bronze-colored finish, for a look that helps you stand out from the pack.

## SR5 Chrome Package

Set things off in style with chrome-finished 18-in. wheels, outer door handles and exhaust tip. Along with a tailgate letter insert, the Chrome Package is sure to turn heads.

## SR5 SX Package

Black overfenders and exterior badging. Black 16-in. wheels and outside mirrors. A tailored SX bed graphic. The SX Package allows you to outfit your Tacoma SR5 with unique details, to make a striking first impression.

## EXTERIOR

# Bold new looks. Same legendary truck.

With its aggressive grille and available LED headlights, Tacoma remains the best-looking truck on the trail. Now, with even more impressive options.

## INTERIOR

# Stay comfortable while expanding your comfort zone.

Just because you're roughing it doesn't mean you have to be denied certain creature comforts. Relax in your Tacoma with premium appointments, available dual zone climate control, an adjustable driver's seat and more.

### Available power-adjustable seat

Take comfort to new heights. Tacoma features an available 10-way power-adjustable driver's seat that includes 2-way lumbar support.

### A tough and refined interior

Tacoma is built to handle the demands of a hard-charging outing. Its interior features soft-touch materials to boost your comfort. Both Tacoma Limited and TRD Pro add leather-trimmed seating surfaces, for the ultimate in tough sophistication.

### Available dual zone automatic climate control

Standard on all V6 Tacomas, the dual zone automatic climate control lets the driver and passenger personalize comfort while out on the trails. Just set the temp to your liking, and Tacoma does the rest.

# Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world. 4G network dependent.

## Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.<sup>14</sup>

- ✓ **Safety Connect®**  
Emergency SOS assistance and 24/7 Toyota Roadside Assistance.<sup>15, 16</sup>
- ✓ **Service Connect**  
Get personalized maintenance updates and vehicle health reports.<sup>17</sup>
- ✓ **Remote Connect**  
Start, lock/unlock your doors and more, using your compatible smart device.<sup>18</sup>
- ✓ **Wi-Fi Connect**  
Turn your Toyota into a hotspot with 4G connectivity.<sup>19</sup>
- ✓ **Destination Assist**  
24/7 live agent assistance to locate your next destination.<sup>20</sup>

To view included trial details, please visit [toyota.com/connected-services](http://toyota.com/connected-services).

## Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

## Apple CarPlay®

Bring along a familiar face. With Apple CarPlay<sup>®21</sup> compatibility, you can use your compatible iPhone<sup>®22</sup> with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

## Android Auto™

Stay connected on the road. By pairing your compatible Android<sup>™23</sup> phone with the audio multimedia system, Android Auto<sup>™24</sup> lets you access your Google Assistant<sup>™25</sup> get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

## SiriusXM® w/3-month Platinum Plan trial subscription

SiriusXM<sup>®26</sup> is the widest variety of entertainment anywhere. With a SiriusXM<sup>®26</sup> 3-month Platinum Plan trial, you get 350+ channels, including 165+ channels in your car, to enjoy ad-free music, plus sports, news, talk, comedy and more.

## Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa<sup>28</sup> connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

## JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL<sup>®29</sup> finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

TOYOTA SAFETY SENSE™ P (TSS-P)

# Peace of mind comes standard.

Toyota Safety Sense™ P (TSS-P)<sup>30</sup> is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS-P's comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection<sup>31</sup>

Dynamic Radar Cruise Control<sup>32</sup>

Lane Departure Alert<sup>33</sup>

Automatic High Beams<sup>34</sup>

## TACOMA MODELS

### SR

## WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

## DISCLOSURES

1. The Toyota Tacoma is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **2.** Goodyear® is a registered trademark of The Goodyear Tire & Rubber Company. **3.** FOX is a registered trademark of FOX Factory, Inc. **4.** Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. **5.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] See *Owner's Manual* for limitations. **6.** Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. **7.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **8.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. **9.** The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See *Owner's Manual* for additional limitations and details. **10.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **11.** Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. **12.** Kevlar® is a registered trademark of E. I. du Pont de Nemours and Company. **13.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details. **14.** Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and <https://www.toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. Connected Services trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **15.** Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at [toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. **16.** Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. **17.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and at [toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect®, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **18.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and at <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of use apply. **19.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/toyota](http://att.com/toyota) for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **20.** Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **21.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. **22.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **23.** Android is a trademark of Google LLC. **24.** Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/auto/>. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. **25.** Google is a trademark of Google LLC. **26.** Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit [www.siriusxm.com](http://www.siriusxm.com) to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **27.** SiriusXM trial length and service availability may vary by model, model year or trim. **28.** Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota app and Toyota+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.toyota.com/audio-multimedia>. To learn more about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. **29.** JBL® is a registered trademark of Harman International Industries, Inc. **30.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **31.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **32.** Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. DRCC not available on manual transmissions. See *Owner's Manual* for additional limitations and details. **33.** Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **34.** Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **35.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **36.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **37.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **38.** May not be compatible with all mobile phones, MP3/WMA players and like models. **39.** Rear parking assist sonar is

## DISCLOSURES

designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the rear parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **40.** Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. **41.** The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **42.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **43.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **44.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **45.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **46.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **47.** Replaces chrome rear bumper with color-keyed rear bumper on TRD Off-Road models. **48.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **49.** Extra-cost color. **50.** BedStep® is a registered trademark of AMP Research. All rights reserved. **51.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **52.** Advanced voice recognition capabilities vary by head unit. **53.** HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **54.** Dynamic voice recognition capabilities vary by head unit. **55.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **56.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **57.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **58.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **59.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **60.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service. **61.** ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. **62.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations and details. **63.** EPA-estimated 20 city/23 highway/21 combined mpg rating for 2023 Tacoma SR, SR5 4x2 4-cyl. Automatic; EPA-estimated 19 city/24 highway/21 combined mpg rating for 2023 Tacoma SR, SR5, TRD Sport, TRD Off-Road and Limited 4x2 V6 Automatic; EPA-estimated 19 city/22 highway/20 combined mpg rating for 2023 Tacoma SR, SR5 4x4 4-cyl. Automatic; EPA-estimated 18 city/22 highway/20 combined mpg rating for 2023 Tacoma SR, SR5, Trail Special Edition, TRD Sport, TRD Off-Road, Limited and TRD Pro 4x4 V6 Automatic; EPA-estimated 17 city/21 highway/18 combined mpg rating for 2023 Tacoma TRD Sport 4x4 V6 Manual; EPA-estimated 17 city/20 highway/18 combined mpg rating for 2023 Tacoma TRD Off-Road and TRD Pro 4x4 V6 Manual. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov).

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

Toyota Tacoma is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

**Mobility**
